Teaching

Undergraduate

Quantitative research methods (Southampton and QMUL)

Economic geography (Southampton)

Global world (Southampton)

Urban and spatial economic analysis I & II (LSE)

Graduate

Multinationals and global business (QMUL)

Doctoral Supervision

Ying Wang: Neighbourhood governance and social capital in contemporary China (Soton, completed 2019)

Yuliya Vanzhulova: Sustainable development in the sharing economy (QMUL, expected 2025)

Other Professional Activities

Editorships

Editor, *Regional Studies*, 2016–2021

Editorial Board Member, *Journal of Economic Geography*, 2017–present

Associate Editor, *Regional Science, Regional Studies*, 2014–2016

Editorial Board Member, *Critical Planning*, 2004–2005

Referee Service

Proceedings of the National Academy of Sciences; Research Policy; World Development; Journal of Economic Geography; Journal of Urban Economics; American Sociological Review; Urban Studies; Economic Geography; Regional Studies; Cambridge Journal of Regions, Economy & Society; Environment & Planning A; Environment & Planning C; Journal of Regional Science; Papers in Regional Science; Journal of the American Planning Association; The World Economy; The Professional Geographer; Applied Geography; Regional Studies, Regional Science; European Urban and Regional Studies; Geography Compass.

Training

Fellow of the Academy (D2), UK Professional Standards Framework for Teaching and Supporting Learning (UKPSF)

University and Departmental Service

PhD Admissions Tutor, SBM QMUL, 2019–2022

ESRC Doctoral Training Centre Coordinator, Southampton, 2016–17

BA Programme Lead, Geography and Environment, Southampton, 2017

Ethics Review Board Member – Southampton Social Sciences, Education, Geography and Mathematics (SSEGM) Ethics Subcommittee, 2014–2016

Other Service

Member, Peer Review College, UK Economic & Social Research Council, 2015–Present

Reviewer, U.S. National Science Foundation, Geography and Spatial Sciences Program, 2014–Present

Reviewer, Social Sciences and Humanities Research Council of Canada, 2018–Present

Advisory Board Member: Structural Transformation, Adaptability and City Economic Evolutions Project (PI: Ron Martin, Cambridge University), 2015–2018

Advisory Board Member: Technology Evolution in Regional Economies (PI: Dieter Kogler, UC Dublin), 2018–2021

Co-organizer, AAG Economic Geography – Structure, Networks, Evolution & Policy sessions, 2017.

Policy/Consultancy

Measuring the creative economy in North America and the EU, NESTA, 2014–2015

Evaluating the U.S. Jobs and Innovation Accelerator Challenge Program, OECD, 2013

Evaluating investments in disadvantaged regions, U.S. Economic Development Administration, Department of Commerce; 2011–2014,

Evaluating Mexican federal and local SME policies, OECD, 2011.

Estimating climate change impacts on social protection programs in India, Ethiopia, Malawi and Bangladesh, World Bank, 2009-2010.

Estimating economic costs/benefit of global access to MDG basic sanitation, WaterAid UK, 2007.
